The Fifth International Conference on Information Assurance and Security (IAS'09)

August 18-20, 2009

Xi'an, China

Call for Papers

Special Session: ***Wireless Security***

The special session is intended to foster the dissemination of state-of-the-art research in the field of wireless security. The overall aim of this special session is to provide a forum for academic and industry professionals to discuss recent progress in methods and technology concerning the privacy and anonymity of subscribers, the security policies of ad hoc network, sensor network, RFID system, and m-commerce.

Full Paper Due Date:	**March 1, 2009**
Notification:	**April 1, 2009**
Camera-ready Paper Deadline:	**May 1, 2009**

Submission of Papers

Papers are invited from prospective authors with interests in this particular special session and related areas of applications. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from related fields in industry are very welcome. Details of the required paper format are published at the official IAS2009 website (http://www.ias09.org/).
