

**The Fifth International Conference on Information Assurance and Security
(IAS'09)**

August 18-20, 2009

Xi'an, China

Call for Papers

Special Session: *Watermarking Techniques, Steganography and Visual Cryptography*

The special session is intended to foster the dissemination of state-of-the-art research in the area of watermarking techniques, steganography and visual cryptography. The goal of this special session is to bring together researchers from academia and industry as well as practitioners to share ideas, problems, and solutions relating to the multifaceted aspects of watermarking techniques, steganography and visual cryptography.

Full Paper Due Date: **March 1, 2009**

Notification: **April 1, 2009**

Camera-ready Paper Deadline: **May 1, 2009**

Submission of Papers

Papers are invited from prospective authors with interests in this particular special session and related areas of applications. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from related fields in industry are very welcome. Details of the required paper format are published at the official IAS 2009 website (<http://www.ias09.org/>).
